

# ENVIROALERT® ACCESSORY

EA-WMFS  
Shown with Temp-H-S Probe  
(probe sold separately)

## WIRELESS MULTI-FUNCTION SENSOR

Model Number: EA-WMFS  
Part Number: EAWMFS (M-001-0127)

**Accessory for:**  
EnviroAlert EA800

### Specifications:

Sensing Range: Remote sensor dependent - requires remote sensor for operation.  
Power Requirements: 2 - AA Alkaline Batteries or +12 VDC @ <=100mA  
Unit Operating Range: +32° to 122° F (0° to +50° C) Non-condensing environment.  
Battery Life: Up to 4 years  
Frequency: 2.405 GHz - 2.480 GHz, 16 channels. See owners manual for more information.  
Transmission Distance: 1,000' (304.8 m) line-of-sight  
Weight: 0.25 lb (0.11 kg)  
Dimensions: 3.67" x 2.65" x 1.17" (9.3 cm x 6.7 cm x 2.9 cm)  
Mounting: Surface mount

Can be used for coolers/freezers with use of a probe.

### Accepted Probes:

Detection	Model Number	Part Number	Range
Temp Ultra Low (White)	TEMP-UL-S	M-001-0111	-112° to +32° F
Temp High (Red) Stainless Steel	TEMP-H-S	M-001-0081	+32° to 299° F
Temp High (Red) Waterproof	TEMP-H-W	M-001-0087	+32° to 221° F
Temp Low (Blue) Stainless Steel	TEMP-L-S	M-001-0082	-58° to +158° F
Temp Low (Blue) Waterproof	TEMP-L-W	M-001-0086	-58° to +158° F
Water Surface Sensor (supervised)	W-S-S	M-001-0094	
Water Under Carpet (supervised)	W-UC-S	M-001-0009	
PS-110 Power Out Alert	PS-110	M-001-0076	
N.O./N.C. devices
